Class of Alumni

SSR IMR is in its 7th Year of Successful functioning and we believe that the Alumni of IMR is increasingly gaining experience & competitive edge in the Industrial world. We have started with a series of “*Class of Alumni*” whereby we are inviting our proud Alumni to step up to their old classrooms with their experience & share the same among the students of current Batches. This knowledge sharing initiative has massive objective of bridging the gap between the Industry & the Institute.

We extend our open invitation to the IMR Alumni to get registered with this initiative & add value to the IMRites. Recently in this series the following Alumni shared their expertise & thoughts with the students.
