Students' Engagement Programme One Day Outing at Nakshatra Van 24th Dec. 2016

SSR IMR Students & Teaching staff had a wonderful engagement session in the form of a One Day outing to Nakshatra Van on 24th Dec. 2016. The motto was pretty clear to take *fun very seriously* and the result was *bang on*.

The touring squad had a wonderful time playing the school time games & executing the basics of strategizing & coordinating. The game of Housie brought all on the same track of excitement & engagement. The delicious home cooked food added further flavour to the outing.

The Director and the Teaching Staff were glad with the participation of the students and wish for the similar bonding among the students.
