In 2003, a self-financed charitable Trust "Swargeeya Sanjibhai Rupjibhai (SSR) Memorial Trust" ventured into the field of Education to undertake the great task of setting up a chain of Institutions in order to provide quality education to the students of Dadra & Nagar Haveli.

Dadra & Nagar Haveli, then, was a small progressive place and a business hub, but did not have any proper educational institutions to cater to the varied requirements of the resident and industrial community. Shri Mohan S. Delkar voiced the feelings of many concerned parents of Dadra & Nagar Haveli about the dearth of educational facilities and the urgent need of the people to bridge the demand and supply mismatch for a higher Education Center.

Shri Mohan S. Delkar, a great visionary and nationalist, who translated his ideas and dreams of promoting higher education into reality.
