First Responder Training in Accidents 2nd March 2017

SSR IMR hosted a *First Responder Training in Accidents* programme on 2nd March 2017 conducted by the **Divya Bhaskar group** in association with the Doctors from Lifesupporters Institute of Health Sciences (LIHS), Bandra, Mumbai. The programme is a Social Responsibility campaign of Divya Bhaskar group which has completed its 6 years of

circulation in this region and successfully running its media operations. Silvassa Correspondent **Mr. Dharmesh Pandya** addressed the students on this occasion and explained the purpose of the session. The accidents have larger impact on victims if their care wasn't taken between meeting accidents & reaching to the hospital. The session was inclined towards the immediate responses that general people may perform at the time of accidents.

Dr. Meenu Pandit and **Dr. Prakash Pandey** from LIHS took the session with students & faculties of the Institute. They focused on the various aspects of responses during any circumstances pertaining to accidents. They emphasized on the potential situation of victims and respective responses of the general public while dealing with any sort of accidents. Covering a few technicalities, the doctors ensured that the students have some effective take away from the session. **Mr. Anthony**

Baria, Unit Head, Divya Bhaskar Group (South Gujarat region), **Mr. Kush Tambakuwala**, Branding Dept. Divya Bhaskar News paper and **Mr. Manoj Batheja**, Asst. Manager, Divya Bhaskar were present at the session. The **IMR Director, Dr. Praveena Muley** greeted the guest speakers & representatives from the Divya Bhaskar Group and expressed her contentment upon such initiatives for the youths.
