Women's Day Celebration 8th March 2018

**"A woman with a voice is by definition a strong woman."
- Melinda Gates, co-founder, The Bill & Melinda Gates Foundation**

SSR IMR celebrated the International Women's day with grand tribute to all the Women in the Universe and Our lives. Good Wishes in the form of text, poem and feelings floated all around. The Female staff members at the Institute were humbly presented the token of respect from the entire

Institute. At this occasion the female staff expressed their feelings & gratitude and stated the fact that although the women in bits & parts are still victimised yet **Women are strong & moving ahead in this competitive world with substance.**
