“Converting Waste into Eco. Economical Asset”
A Talk by Dr. Binish Desai – Recycle Man of India
Forbe’s Class of 2018 – 30 Under 30 Social Entrepreneurs in Asia
Session held on 31st March 2018

SSR IMR had organised a guest session of International Speaker & Recycle Man of India **Dr. Binish Desai** on 31st March 2018. Dr. Binish & his Team from Valsad have taken remarkable efforts towards spreading light in the life of the needy & deprived section of the society. The session was delivered under the theme **“Converting Waste into Eco. Economical Asset”**. The speaker extended the motto of considering waste as an opportunity. The students had the opportunity to get the insight on societal causes and respective solutions. The session included know how of the products manufactured at Dr. Binish’s establishment and an insight on how waste materials are being getting converted to construction materials, Interior designer equipment etc. The speaker delivered the session to the extreme satisfaction of the listeners.

Hon’ble Founder Trustee of SSR Memorial Trust **Shri. Sanjiv Desai**, PRO of SSR Memorial Trust **Dr. Pankaj Sharma** and Director of SSR IMR **Dr. Praveena S. Muley** were present during the session and appreciated the speaker’s intent towards societal development and also his wonderful delivery of the content during the session. The session developed a ray of hope for the Institution to march further towards societal cause and support the students in developing the Socio Educational Intellect.

**Dr. Binish Desai felicitated
by PRO Dr. Pankaj Sharma**
