Esperanza 2018 **Coordinator: Mrs. Natasha Nunes**

The students of MBA II organized Freshers Party “**ESPERANZA 2018**” to welcome the students of MBA I on 21st August 2018. The event began with worshipping Goddess Saraswati – the goddess of knowledge followed by cultural program. The students portrayed their feelings through dance, songs, skit, poems and instrumental performance. Also games were organized for the juniors; this kept them involved through out the event.

The charm of the entire event was the title of Mr. & Ms. Fresher 2018. The students of 1st year had to compete with each other to win the title. The competition consisted of four rounds namely Introduction round – wherein all the students had to introduce themselves on the parameters given. Out of the first round 10 male and female each qualified to the extempore round, where they had to speak on a certain topic for two minutes. The third round was Talent round; here 5 students each from male and female who qualified the extempore round competed by displaying their talent. Finally three students from each category reached the last round of Question – Answer, where they battled to achieve the title. The entire competition was judged by a jury of faculty members, and declared the following as the winners for the respective title:

Mr. Fresher – Mr. Mohsin Chaus

Ms. Fresher – Ms. Vidhi Bandari

The entire event was managed and coordinated by the members of the cultural committee. The students of MBA II welcomed their juniors with outmost joy and happiness. At the end a representative of MBA I on behalf of the entire batch expressed her gratitude towards the seniors and acknowledge the efforts taken by the students.
