## "Intellectual Property Rights (IPR) - Basics, Context and Strategic Significance for Academia & Industry"

The Students of the Post Graduation courses at SSR experienced an unique opportunity of listening to **Mr. Padmin Buch, IPR Expert: Govt. of India, MHRD - Institution's - EDII's Innovation Council, Ahmedabad.**

The Session held on 20/10/2018 was attended by the students of MBA, M Com, M Pharm & M Sc.. The respective PG expert lecture series coordinators of the Colleges & Institute were present for the session. SSR

Memorial Trust's PRO Dr. Pankaj Sharma felicitated the guest speaker and extended his warm welcome in the presence of the Director IMR Dr. Praveena Muley. The speaker enlightened the students on the theme of IPR, the basics & significance of IPR in the modern day Industrial & Academic environment. He emphasised on the fact that it is imperative for every student to learn

IPR related practices and ensure that they are cautious in their professional assignment. He engaged the students into Q&A session and responding to the queries of the students. Every Faculty attending the session along with the Director IMR and PRO were impressed with the delivery of the speaker and students at large were the core beneficiary of the session. We extend our heartiest Thanks to the Guest speaker for his time and enlightenment to our students.
