BON VOYAGE 2019

On 12th April 2019

Faculty Coordinator: Mrs. Natasha Nunes

SSR IMR bid farewell to its 10th Batch on 12th April 2019. The day was filled with mixed feelings of departure and beginning of a new journey. The cultural mood, the sentimental speeches, the wonderful memories shared through video show and the twinkling eyes saying good bye to each other – all these & many moments made the function and the entire event to be cherished. The students who outperformed in various areas were awarded by the Director. The event was well organized by the student's cultural committee of MBA I and very much appreciated by the students of MBA II.
