Under this initiative **Quiz, Poster making and Tree plantation activities** were carried out. Poster making and Tree plantation were for IMR students only whereas Quiz was open to students from other colleges as well throughout India. Within a stipulated time frame of 10 AM to 5 PM 330 Participants appeared for the Quiz and IMR students very enthusiastically participated in the poster and tree plantation initiative and made it a huge success. We are glad that our students contributed in this initiative with the best of their commitments by planting the trees in their surroundings and creating awareness among the society towards the need of healing the environment. This noble effort got students acquainted to environment protection values and gained maturity towards safe guarding the Nature.
