## **SSR Memorial Trust**

In 2003, a self-financed charitable Trust "Swargeeya Sanjibhai Rupjibhai (SSR) Memorial Trust" ventured into the field of Education to undertake the great task of setting up a chain of Institutions providing quality education to the students of Dadra & Nagar Haveli. Dadra & Nagar Haveli, then, was a small progressive place and a business hub, but did not have any proper educational institutions to cater to the varied requirements of the resident and industrial community. Shri Mohan S. Delkar voiced the feelings of many concerned parents of Dadra & Nagar Haveli about the dearth of educational facilities and the urgent need of the people to bridge the demand and supply mismatch for a higher Education Center.

Shri Mohan S. Delkar, a great visionary and nationalist, who translated his ideas and dreams of promoting higher education into reality. In no time, he has carved out a niche for himself as an educationist, who believes in inculcation of values through education in the young generation. The group, under the able leadership of Shri. Mohan S. Delkar and the active support and association of renowned academicians, experienced professionals, eminent industrialists and technocrats, has established the educational center in the following branches:

- SSR College of Arts, Commerce and Science College (Estd. 2006-07)
- SSR College of Pharmacy (Estd. 2007-08)
