SSR MEMORIAL TRUST

In 2003, a self-financed charitable Trust "Swargeeya Sanjibhai Rupjibhai (SSR) Memorial Trust" ventured into the field of Education to undertake the great task of setting up a chain of Institutions in order to provide quality education to the students of Dadra & Nagar Haveli. Dadra & Nagar Haveli, then, was a small progressive place and a business hub, but did not have any proper educational institutions to cater to the varied requirements of the resident and industrial community. Shri Mohan S. Delkar voiced the feelings of many concerned parents of Dadra & Nagar Haveli about the dearth of educational facilities and the urgent need of the people to bridge the demand and supply mismatch for a higher Education Center. Shri Mohan S. Delkar, a great visionary and nationalist, who translated his ideas and dreams of promoting higher education into reality. In no time, he has carved out' a niche for himself as an educationist, who believes in inculcation of values through education in the young generation.

The group, under the able leadership of Shri Mohan S. Delkar and the active support and association of renowned academicians, experienced professionals, eminent industrialists and technocrats, has established the educational center in the following branches:

- SSR College of Arts, Commerce and Science College.
- SSR College of Pharmacy.
- SSR College of Education.
- SSR Institute of Management & Research (IMR)

This is the only campus of its kind in Silvassa affiliated to Savitribai Phule Pune University. The educational campus under SSR Memorial Trust has a beautiful lush green campus elaborately spread over 50 acres of land catering to the aspirations of many students.

SSR IMR, Permanently affiliated to Savitribai Phule Pune University and approved by All India Council of Technical Education (AICTE), New Delhi. It presently runs the two years post graduate programme in Masters of Business Administration (MBA). Established in 2008, the Institute has been at the forefront of providing exceptional educational experiences and empowering students to achieve their career aspirations. We believe in holistic student development, fostering not just academic excellence but also personal growth and character building. Our dedicated faculty members go beyond the classroom to mentor and guide students, encouraging them to explore their interests, discover their strengths, and unleash their full potential. We offer comprehensive support services, including career counseling, skill development workshops, and personal guidance, to ensure that our students are well-equipped to navigate the challenges of the professional world. We understand the importance of industry connect in preparing students for successful careers. Through our strong network of industry partnerships, we facilitate internships, industrial visits, and collaborative projects that bridge the gap between theoretical knowledge and practical application. Our students benefit from regular interactions with industry experts and professionals through guest sessions, workshops, and seminars, gaining valuable insights and staying updated with the latest industry trends. We also organize regular events, fests, and competitions that provide platforms for students to showcase their talents, creativity, and innovation. Recognizing the achievements and contributions of our students, we have instituted awards and rewards to celebrate their excellence. Whether it's academic achievements, leadership endeavors, or outstanding performances in extracurricular activities, we take pride in acknowledging and honoring the accomplishments of our students. These accolades not only motivate and inspire but also serve as a testament to the nurturing environment we provide at our institute. SSR IMR is driven by a commitment to quality education, holistic student development, and industry relevance. We take immense pride in our NAAC Accreditation, which serves as a testament to our unwavering dedication to academic excellence and quality. This accreditation reflects our commitment to maintaining the highest standards of education, infrastructure, and faculty expertise, ensuring that our students receive a well-rounded and comprehensive learning environment.
