On 18th March 2026, SSR Institute of Management & Research (IMR), Silvassa, successfully hosted the **5th National HR Conclave**, centered on the forward-looking theme: **“Workforce 3.0: From Employees to Ecosystems.”** This prestigious event brought together a distinguished panel of industry experts, including **Dr. Indu Nair** (Director, Synergy HR Consulting), **Ms. Namrata Thakor** (HR Manager, S & S Packaging), **Ms. Hetvi Kataria** (HR Executive, Huhtamaki India), **Mr. Soumen Roy** (Vice President, Unovell Industries Pvt. Ltd), and **Mr. Vivek Raghav** (Associate HR Generalist, Owens Corning). Tailored specifically for **MBA 1st and 2nd-year students**, the conclave served as a bridge between academic theory and the rapidly evolving industrial landscape, offering deep dives into the transition from traditional employment models to interconnected talent ecosystems.

The day was characterized by a blend of high-level intellectual discourse and interactive engagement. The esteemed speakers shared thought-provoking perspectives on future workforce trends and emerging HR practices, which were further complemented by dynamic activities and games designed to foster student participation. These sessions not only made the learning experience more enjoyable but also encouraged peer-to-peer networking and collaboration. The event concluded on a celebratory note with a **Prize Distribution Ceremony**, where the achievements and enthusiastic contributions of the participants were formally recognized.

The **outcome for the students** was multifaceted and highly impactful. By interacting directly with seasoned professionals, students gained a **sophisticated understanding of "Workforce 3.0,"** equipping them with the mental framework to navigate a decentralized and tech-driven corporate world. The conclave successfully **sharpened their analytical thinking**, improved their ability to anticipate industry shifts, and provided them with a **tangible professional network**. Ultimately, the session empowered the future managers of SSR IMR with the confidence and practical insights necessary to transition from the classroom to a complex, ecosystem-based professional environment.
