HR Day Celebration on 19th February 2026

Director: Prof (Dr) Rakesh Patil

Coordinator: Dr. Diksha Swaroop

On 19th February 2026, the **Humanagers Batch 2024-2026** at SSR Institute of Management & Research (IMR), Silvassa, successfully organized a vibrant and insightful **HR Day**. Designed as a professional development initiative, the event provided a dynamic platform for both **MBA 1 and MBA 2 students** to engage with human resource concepts through creative and interactive mediums. The day was meticulously planned to move beyond traditional textbook learning, fostering an environment where students could witness the practical complexities of the corporate world.

The highlight of the celebration was a high-impact, **interview-based skit** that creatively deconstructed the recruitment process. The performance skillfully portrayed various interviewer personalities, common candidate behaviors, and the intricate nuances of the selection process, making complex professional scenarios both relatable and easy to understand. Following the performance, the energy shifted toward a high-spirited **HR Quiz**, which challenged participants on their core HR knowledge and quick-thinking abilities, sparking healthy competition among the batches. Through these interactive activities, the event successfully promoted essential professional traits such as **teamwork, confidence, and effective coordination**. By blending creative storytelling with intellectual challenges, HR Day 2026 served as a perfect catalyst for professional growth, leaving students with a deeper, more practical understanding of the human element in management.
