The Micro, Small and Medium Enterprises have been accepted as the engine of economic growth and for promoting equitable development in India. MSMEs have been playing a momentous role in overall economic development of a country like India where millions of people are unemployed or underemployed & facing the problems of poverty. MSMEs constitute more than 80% of the total number of industrial output, 40% of exports, employing 60 million people, create 1.3 million jobs every year and produce more than 8000 quality products for the Indian and international markets. MSMEs contribute nearly 45% to manufacturing and about 40% to the Indian export sector. Indian MSMEs have moved up from the manufacture of traditional goods including leather, gems and jewellery, agricultural goods to much more value addition in the manufacturing sector to its entry in the value added services as well.

MSMEs are now exposed to greater opportunities than ever for expansion and diversification across the sectors. Indian market is growing rapidly and Indian entrepreneurs are making remarkable progress in various industries like Manufacturing, Precision Engineering Design, Food Processing, Pharmaceutical, Textile & Garments, Retail, IT and ITES, Agro and Service sector.

Associated with this high growth rates, MSMEs in India are also facing a number of challenges like sub-optimal scale of operation, technological obsolescence, supply chain inefficiencies, increasing domestic and global competition, fund shortages, change in manufacturing strategies and turbulent and uncertain market scenario. The MSMEs need to be educated and informed of the latest developments taking place no grab the available opportunities and face the challenges. Taking into consideration this need of MSMEs with appropriate research to solve their issues, SSR IMR is organizing a national conference to provide a common forum for a constructive dialog on theoretical concepts and practical ideas. It will bring together innovative academics researchers, executives, domain experts of the industry with the following objectives.
